PROFESSIONAL SUMMARY

Computer Engineering graduate from Chinhoyi University of Technology with hands-on experience in IT support, web development, networking, and digital solutions. Experienced in developing responsive websites using WordPress, HTML, CSS, and JavaScript, with growing expertise in full-stack development using modern web technologies. Skilled in troubleshooting hardware and software systems, providing end-user support, configuring networks, managing hosting environments, and deploying web applications. Passionate about building practical technology solutions while continuously expanding knowledge in software development, systems administration, and emerging technologies.

TECHNICAL SKILLS

Web Development & Full-Stack Technologies

- HTML5
- CSS3
- JavaScript
- Responsive Web Design
- WordPress Development
- Elementor Pro
- REST API Integration
- Git & GitHub
- GitHub Pages Deployment
- Basic Node.js
- Basic Express.js

Databases

- MySQL

- SQL Fundamentals
- Database Design Concepts
- Data Management

IT Support & Systems

- Hardware Troubleshooting
- Software Installation & Support
- Windows Administration
- User Support & Training
- Technical Documentation
- System Maintenance

Networking

- TCP/IP
- DNS
- DHCP
- Routing & Switching Fundamentals
- Cisco Networking Concepts
- Network Troubleshooting
- LAN Support

Design & Content Creation

- Canva
- Figma
- Adobe Lightroom
- Event Branding
- Flyers
- Posters
- Brochures
- Presentations
- Logos

Development & Productivity Tools

- Visual Studio Code
- GitHub
- XAMPP
- Linux
- Cisco Packet Tracer
- Microsoft Office Suite

PROFESSIONAL EXPERIENCE

IT Support Intern

Westridge Primary School
July 2024 – August 2025

Key Responsibilities:

- Provided day-to-day IT support to staff and learners.
- Diagnosed and resolved hardware and software issues.
- Supported classroom technology and computer laboratory infrastructure.
- Assisted with maintenance of computer systems and peripherals.
- Provided user assistance and troubleshooting support.
- Prepared technical documentation and reports.
- Assisted with ICT-related projects and system maintenance activities.

FEATURED PROJECTS

E Lab Robotics Website

Lead Web Developer

- Designed and developed a modern responsive WordPress website.
- Implemented blog, gallery, events, contact, and product showcase functionality.
- Managed hosting setup, domain configuration, and deployment.
- Customized layouts using Elementor Pro and CSS.
- Optimized website responsiveness across devices.

Technologies: WordPress, Elementor Pro, HTML, CSS, Hosting Management, Domain Configuration

Website: <https://www.elabrobotics.co.zw>

Global College Website

Frontend Developer & Website Customization

- Customized and enhanced website user interfaces.
- Improved admissions, contact, navigation, and information pages.
- Implemented responsive frontend improvements.

- Enhanced user experience and content presentation.

Technologies: HTML, CSS, JavaScript, WordPress, Responsive Design

Website: <https://www.globalcollege.co.zw>

EDUCATION

Bachelor of Engineering (Computer Engineering)

Chinhoyi University of Technology

Computer Engineering graduate with academic exposure to:

- Computer Systems
 - Networking
 - Software Development
 - Database Systems
 - Information Technology Infrastructure
 - Engineering Principles
-

CERTIFICATIONS & TRAINING

Cisco Networking Academy

- CCNAv7: Introduction to Networks
- CCNAv7: Switching, Routing and Wireless Essentials
- CCNAv7: Enterprise Networking, Security and Automation

Google Digital Skills for Africa

- Fundamentals of Digital Marketing

HEXCO

- ICT Fundamentals

Alliance Française

- DELF A1 French
 - DELF A2 French
-

ADDITIONAL INFORMATION

- Clean Class 4 Driver's Licence

- Portfolio Website: <https://pio-xi.github.io/pio-portfolio/>
- GitHub Profile: <https://github.com/Pio-xi>
- Strong problem-solving and analytical skills
- Excellent communication and teamwork abilities
- Ability to work under pressure and adapt quickly
- Highly motivated and eager to learn
